## Websites, Portfolios, Profiles

---

- General Portfolio <https://www.mtfox3.com/>

## Summary

---

I am a passionate young artist with a strong background in storyboarding and hand drawn animation, seeking out a job in the animation industry. I am no stranger to working with and even managing teams, and I am always working to improve my skills.

## Skills

---

- Revisions
- Data entry
- Excel
- Adobe Photoshop
- Adobe Flash
- ToonBoom Harmony
- Storyboard Pro
- Quality assurance
- General production

## Experience

---

**Storyboard Artist and Animator** April 2021 to Current

**Hip Hop History High, Stapletoon Studios**

- Creating storyboards and animations for short animated segments spliced into live action interviews.

**Storyboard Artist, Illustrator, and Animator**

June 2020 to April 2021

**IEP&Me**

- Created a storyboard for a short animated film (in production).
- Created illustrations for display on the company's website to promote articles and resources.
- Illustrated various small panels meant to visualize step by step tasks for special ed students.

**Character Animation and Cleanup on a Short Film**

June 2019 to January 2020

**Future Proof, Animation Libation Studios**

- Constructed 2D scenes, backgrounds, and character animation based on provided storyboards.
- Implemented feedback and revisions from directors.

**Production Of 2 Animated Short Films**

August 2018 to May 2019

**Self Employed – Santa Clarita, CA**

- *The Wise* -Short 2D animated film, created independently. I created this film from the script to final render. Premiered at the Cal State University Northridge animation showcase in May 2019, and won 3 awards, including *Best in Show* and *Best Animated Short*.
- *Dragon's First Day*- Short 2D animated film, created in collaboration with three students. I was the art director, animation director, character designer, and creator of the storyboards. Premiered at the Cal State University Northridge animation showcase in May 2019, and the VCTC 5th Annual Film Expo.

**Post Production Assistant**

May 2018 to May 2018

**Valt The Wonder Deer, Dream East Pictures – Los Angeles, CA**

- Following my internship, I was employed for a small job at Dream East Pictures. I was tasked with managing a massive load of assets for an upcoming shipment, which involved finding and archiving assets, as well as creating assets that were missing.

**Intern**

Jan 2018 to May 2018

**Valt The Wonder Deer, Dream East Pictures – Los Angeles, CA**

- Storyboard cleanup
- Post production work, including quality control and file organization
- Pre production work, including screening incoming scripts and creating instructional documents

## Education and Training

---

**Bachelor of Arts, Animation**

2019

California State University Northridge – Northridge, CA
